Quarter 1- 2017

Featured Projects

SPORTCHEK WILLOWBROOK

This was a new flagship design SportChek store at Willowbrook Mall, Langley. The store Grand Opening was March 16, 2017! This is 40,000 square feet of retail space.

RWC was awarded the base building improvements for the Willowbrook Phase 1 Expansion Project, and subsequently awarded the SportChek and Toys 'R' Us TI's.

NOW IN PROGRESS...METRO VANCOUVER
HEADQUARTERS

These photos feature the steel stud framing for the curved bulkheads, above the Metro Vancouver boardroom and audience seating areas. These bulkheads are curved to the radius of the boardroom table and the tiered seating.

The Fellert Acoustical Plaster System, only the 2nd time this has been used in Western Canada!

These features are in the top 2 floors of the 17-storey T1 for the new Metro Vancouver headquarters, in the 29-storey Metro Tower 3 Building.

WHATS NEW AT RWC

We are growing!

Watch this space for our new address and details of our office move, taking place later this spring!

UPCOMING PROJECT - CITY OF VANCOUVER LIBRARY

"Visitors to the central branch of the Vancouver Public Library will soon have more room to read, think, gather, and enjoy nature.

The expansion project for the eighth and ninth floors, which were previously leased to the provincial government, is moving forward."

RWC will provide the curved wood ceilings and wood wall panels in the auditorium, as well as feature vaulted drywall ceilings throughout the space.
