OPEN ROAD AUDI

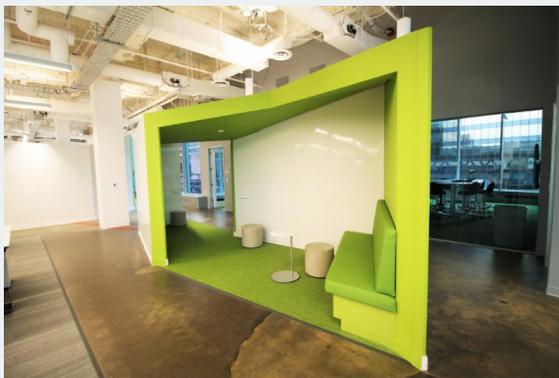

In March 2016, RWC completed this 4 storey car dealership. The project included extensive exterior and interior framing details, a sloped 3 storey wall in showroom, and 24,000 sq ft of custom metal ceilings as per Audi spec. This is the 5th luxury car dealership RWC has completed for the Open Road Auto Group. RWC is very proud to be partners in Open Road's success!

Wood Feature Ceilings

Open Work Area featuring linear wood ceilings

RWC completed this magnificent project in March 2016. This included two floors (175,000 sq ft) in the newly renovated 725 Granville St and an accelerated 6 month schedule. RWC accomplished 25,000 sq ft of floating wood ceilings and acoustic t-bar ceilings, level 5 finishes throughout, feature walls and 8 freestanding collaboration booths.

WHATS NEW AT RWC

RWC's latest significant project is the new Emily Carr University of Art + Design, which is in progress to be completed March 2017!

This is a 300,000sq ft university, with complimenting high end finishes throughout and a 400- seat lecture theatre. Upon completion, this will be RWC's 4th P3 project in our portfolio.

RWC is pleased to announce our newest Operations Team member, **Aaron Broomfield** as Project Coordinator. Aaron has been with the company for 4 years, and has extensive experience in the field, which will greatly benefit our Operations Team!
