## WALLS & CEILINGS

*"building the highest standards"*

Insights - Q3

Quarter 3- 2017

## FEATURED PROJECTS SHOWCASE

### Emily Carr University

This was a P3 project for EllisDon. RWC completed the project on a tight 10 month schedule from June 2016 to April 2017. RWC scope of work included exterior steel stud framing, sheathing, interior walls & ceilings and wood backing.

This project consumed 1.250 million ft<sup>2</sup> of drywall and 320,000 ft<sup>2</sup> of plywood backing!

## MUJI Metrotown

This was the first Muji store to open in Western Canada. The 7,770 sq ft. store is the largest in Canada, and carries over 4,000 products. RWC worked with Etro Construction, to complete the scope of work in time for the store's grand opening on August 26, 2017. RWC scope was interior walls & ceilings and wood backing.

---

## Parq Casino & Resort

RWC has successfully completed this project to the full satisfaction of our customer, EllisDon. Our portion of this project consisted of the interior walls & ceilings of [The Douglas](#), an Autograph Collection Hotel. RWC would like to congratulate the team for meeting the high-quality deliverables of this project!

PROGRESS PHOTOS - BRENTWOOD TOWN CENTRE

This is currently Western Canada's largest construction project. When completed in the fall of 2018, Brentwood Town Centre, re-branded as '[The Amazing Brentwood](#)', will be one of the largest urban destinations in North America.

RWC is responsible for interior walls and ceilings, and specialty wood ceilings. The inset photos are showing the exterior hoarding package, using the Delta Stud System. Click on the link below to find out more about this system!
