## FEATURED PROJECTS SHOWCASE

### Muji Robson

The grand opening of this Muji flagship location took place on Friday, December 1st. This is the 2nd Muji location in Metro Vancouver. This was a fast-track project, completed in 6 weeks thanks to the RWC Special Projects team! RWC scope included steel stud wall assemblies, plywood and storage racking systems.

## Metro Van

This photo shows the final completion of the Metro Van offices (located in the 29-story Metro Tower 3 Building). In previous newsletters we showcased progress photos of this project, which was completed with the Fellert Acoustical Plaster System.

This project ran from January - October 2017.

This was completed by RWC for Turner Construction Corporation.

## PROGRESS PHOTOS

### Alpha Secondary

These are progress photos of the seismic upgrades to Alpha Secondary School in Burnaby. The building is now at the watertight stage. This is a project for Unitech Construction. RWC crews are ahead of schedule, thanks to foreman Rob Nelson and his team!

## COV Offices

The framing stage of the City of Vancouver 8 & 9th floor renovation is now complete! The progress photos show the framing of the curved ceiling features.

This project is on track for a Spring 2018 completion.

## RWC Year-End Company Luncheon

The RWC Year-End Company Luncheon took place on Friday, December 15th. RWC staff enjoyed a delicious turkey dinner, speeches, and a recognition ceremony for our some of our longest-serving employees. The longest serving employee, Jake Desaulniers (20 years!) is pictured above with Garth Robertson, the president and founder of RWC. Garth is pictured at right addressing the RWC staff.
